INDEPENDENT PUB. CO., PUBLISHERS, UBLICATION OFFICE, - BROADWAY.

CLARKE COUNTY.

Without questioning the propriety of the prudence that animates George F. Montana convention, but for some Woolston in keeping to himself the the water he offers to sell the city of tory was excepted from the exception Helena, and without wishing to prejudice in any way his dealings with the city council, the INDEPENDENT will suggest that if the gentleman who "promoted" the Boston company's scheme has actually any tangible water supply in sight he and there would appear to be reason to should lose no time in making the facts look for four vacancies in the constitufully known to the council. The city is | tional convention when the eligibility very much in need of a water supply that of the members-elect shall be inquired shall be in proportion to its present and prospective population, such water to be clean and healthful as well as plentiful -considerations that have not been met by two of the corporations that are now prompted by the efforts of the American under contract with the city and con- Sabbath union, which is said to have seducting a business, which should be re- cured ten million signatures to a petinunerative, by virtue of franchises tion for a law forbidding, in the nation's granted by the city council. Mr. Wool- mail and military service, and in interston's previous connection with one of state commerce, and in the district of the companies at present enjoying the Columbia and the territories, all Sunday benefits of a municipal franchise has not | traffic and work except work of religion served to establish him in the favor of and work of real necessity and mercy. the council, and it is for this reason that | The inclinations of the postmaster genhe should be the more anxious to demon- eral are favorable towards the move- the tone of the dealings during the latter portion strate that the proposition he has to sub- ment, which, according to the statement of the time was firm to strong, it was not fally mit is practicable and that if an agree- of the field seceretary, contemplates the ment is made with him it will not be abolition of the sale of stamps and the immediately broken. It is probably in distribution of mails on Sundays. The his power to show to the satisfaction of fact does not seem to have occurred to the council and of citizens generally that the promotors of this movement that he has something to sell and that if he there are a great many people, especially again enters into a contract with the in the larger cities, who can only go to city his part of the agreement will be the postoffice on Sundays for their mails, kept, as that of the other party to the and that there are many businesses that contract must be. As an initial meas- would suffer seriously by the delay in ure, let Mr. Woolston lay the details of the delivery of mails, as is contemplated his project before a committee of citi- by the reformers. zens who will pledge themselves to keep the plan secret from the public and to MURAT HALSTEAD has himself set at facts he may communicate, and these pointed minister to Berlin during the gentlemen can then say to the city coun- recess of congress. His health, he says,

Post-Intelligencer of June 3, only three sending to a foreign court a man whose days before the date of the conflagration | nomination the senators had deliberatethat swept the business portion of the ly rejected at the last session. Presicity, contained a long communication | dent Harrison may not be a Solomon in from a citizen calling attention to the wisdom, but he is not altogether lost to inadequate means possessed by the city reason. to fight fire; and some of the weak points in the Seattle fire department are so analogous to those that characterize the Helena water system and fire department that a useful lesson may be learned by a summary of the Seattle writer's

In one respect, however, the city by the sound had a great advantage over Helena. The communication under consideration stated that the water supply Beals, Michael In one respect, however, the city by sideration stated that the water supply there was abundant, and that at no point where there were fire plugs did the Bowles, Geo. L. pressure fall below sixty pounds to the steam fire engines being hurried to the vicinity of a supposed fire, a search being made for the burning building, and | Christenson, Andro then the engineer and fireman standing Col, Frank M. helplessly about because there was noth- Court ing else for them to do, the reservoir system doing away with the need of Davis, Henry B. steam fire engines, the picture must recall scenes that have been witnessed scores of times in Helena. It is true, however, that the searching for fires will Dunn, H. B. DuFoss, James soon be done away with, when the Game-wall fire alarm evertem shall be put in on-Evans, Dyan well fire alarm system shall be put in operation here. Another ppproximate similarity between recent conditions in Seattle and the existing state of affairs here Griffiths, John is that there, while the useless fire engines were drawn to the fire by stout horses, the hose carts were suffered to lie in their houses until a sufficient number of volunteer firemen should arrive to pull it to wherever it might be wanted, the result invariably being that when they arrived they were too breathless to proceed at once with the work before them. This state of affairs un- Isack, Pet doubtedly had much to do with the disastrous fire which swept Seattle last week; the same thing may happen, where conditions are similar, in Helena.

Kellogg, J. L. Kelly, Dan'l Krauth & Lentz Since it has come to pass that we are to rely upon pressure instead of upon

part of wisdom in the council to sell the steamer or exchange it for hose carts that the horses to be borned by the bornes by the bo should be put where they will be of most Mont. Investment Co. (8) Morehead, J. W. Morehead, J. W. Morehead, J. W. use. Helena is too large a city to rely upon man-power to get any of its fire apparaMontgomery, A. H.
Muncie, George tus to the place where it may be needed. A judicious investment of a few thousand dollars would be of incalculable benefit to the city in affording adequate protection against such disasters as swept Seattle recently.

McGrain, Peter McCarthy, M. T. McMillan, M. T. (2) McLean, P. Nelson, Chas. J. THE Inter Mountain remarks that while

Butte's contribution to the relief of the Johnstown sufferers will exceed \$5,000. that of Helena "when last heard from was somewhere in the neighborhood of \$150." Although the latter sum should have been stated at \$275, there is not enough difference in the figures to detract from the justice of the sneer which accompanies the Inter Mountain's statement. Helena has shown a disgraceful apathy regarding the necessities of the Conemaugh valley and of the city of Seattle, and if anything is to be done to save the credit of the city it is time the save the credit of the city it is time the movement was started.

THE Missoulian prints a second installment of its alarm lucubrations regardment of its alarm lucubrations regarding the October election, based upon the result of the balloting on May 14, and incidentally revives the old and forgotten cry that the territory was gerrymandered in the interest of the democrats—a charge that has not been uttered elsewhere since the returns from the election were made known, because the figures emphatically showed that a fairer

have been named. The election resulted in the choice of a majority of four for the democrats, while the popular vote showed a democratic majority of only about two hundred. Any apportionment that gives the majority the representation due it. the majority the representation due it cannot with justice be termed a gerry-mander. Had the republicans had a majority of the popular vote while the democrats had their majority of four in the convention, there would have been some ground for an accusation of unfairness. The Missoulian would do better to admit that its party was outvoted at the polls in May, and from that fact it agency.

Murdock, Miss Jane McGinnis, Miss Jessie McDonough, Mrs. James McDonald, O. R. A. McCaffrey, J. Mrs. McCian, Maggie Mrs. Nelson, Celia Pail, Mattle Mrs. Ponce, S. J. Mrs. Reid, Geo. W. Mrs. Reid, Geo. W. Mrs. Schneider, Maggie Sutherland, Tenie. (2)Swan. A. E. Mrs. Trains, to newsboys and news stands. Scts skly, per year. Schneider, by carrier, per month. Si 06 fairness. The Missoulian would do better to admit that its party was outvoted at the polls in May, and from that fact it Zelmer, Lottle Miss Zelmer, at the polls in May, and from that fact it | Zelmer, Lottie Miss may prepare itself for the greater defeat OFFICIAL PAPER OF LEWIS AND that is in store for the republicans when the October election shall take place.
